INTRODUCTION

“The essence of Best Practice is communication and sharing experience for mutual benefit”

The Liverpool City Region Constructing Excellence Club is a networking group which brings people from Liverpool's property and construction industry together so that they can learn, share knowledge and identify opportunities to collaborate and work together.

Our aim is to encourage continuous improvement and innovation within the sector so that we can all achieve a culture of best practice and excellence within our organisations and the construction industry.

Our events vary from tours of new and exciting project sites and schemes in the city, to industry specific talks and seminars about upcoming trends and “hot topics”, to relaxed and informal social networking drinks with fellow construction professionals.

PERSONAL DEVELOPMENT

Personal development

Arena to learn more about Best Practice and innovation in construction.

Access to essential practice updates (i.e. legislation change) and regional 'hot topics'.

By receiving regular information on new products and services available from Constructing Excellence and Liverpool City Region Constructing Excellence members and partners.

Access to Constructing Excellence regional meetings and visits to demonstration projects.

Construction CPD Certification of attendance. (One meeting is accredited as one hour's training).

EDUCATIONAL EVENTS

Educational events

Meeting place for all construction related clients and business to discuss, share and learn.

It is the 'Hub' for information for the Liverpool City Region area activities with a special emphasis on delivery and construction rather than strategic planning.

Information regarding the whole life cycle of construction projects from start to completion and opportunities within the Liverpool City Region.

BUSINESS DEVELOPMENT AND NETWORKING

Business development and networking

Opportunities to network and build relationships with other like minded construction professionals in the Liverpool City Region.

To form strategic links and work with the other official organisations that are involved in the Liverpool City Region including the development corporations and the regeneration agencies.

To obtain information on 'movers and shakers' deliverers and their requirements.

OUR MEMBERSHIPS

We have three membership types:

- Membership costs are per annum and run from November to November
- Invoices must be paid to attend events
- 4 people from an SME or Large company can attend each event, there is an additional cost of £25 per person per event for further attendees
- SME Definition - Small or medium-sized enterprise with fewer than 250 employees
- Corporate sponsorships for individual events is available, please contact us for further details

**To join, please complete our attached membership form and send to Treasurer Will Barralet
wbarralet@owenellis.co.uk**

COMMITTEE MEMBERS

Our experienced group of committee members share knowledge, innovation and overall best practice within the construction industry. Our aim is to encourage continuous improvement and innovation within the sector so that we can all achieve a culture of best practice and excellence.
